Dear Sir:- Are your waters overcrowded with ducks this fall? If not, you can make a splendid duck marsh and feeding ground to attract swarms of them by planting Giant Wild Rice, Wild Celery (favorite of Canvasbacks - Redheads), Muskgrass, Brownleaf.

Daily shipments for fall planting are now being made to all parts of U. S. and Canada. Muskgrass usually not available after Nov. 1st.

SPECIAL UNTIL NOV. 5TH. 1 bu. Muskgrass FREE with each 5 bu. ordered. With other items ordered before Nov. 5th, we'll send FREE 5% more seed than order calls for. Avoid disappointment - mark order on other side of card and mail NOW. (Plantings should be made before freeze-up.)
